Pensacola International Billfish Tournament Celebrates its 55th Year

Welcome

For fifty-five years, anglers have gathered along the waters of the Florida Panhandle with a shared purpose: to celebrate sportfishing, camaraderie, and respect for the Gulf that has given us so much.

What began as a small local tournament has grown into a cherished tradition—one passed from one generation to the next. Boats have changed, technology has advanced, and the tournament has evolved, but the heart of this event remains the same: good people, great fishing, and a deep love for these waters.

As a nonprofit organization, we are proud that this tournament does more than crown winners. It supports conservation and community involvement that ensures the future of sportfishing on the Gulf Coast remains strong.

Thank you to the anglers, volunteers, sponsors, and families who have made the last 55 years possible. We are honored to share this milestone with you and look forward to many more years on these waters together.

Tight lines and fair seas.

14.0 TIE BREAKERS

Award Categories (Big Blue Award, Wahoo, Tuna, Dolphin, and Swordfish). In the event of a tie, the first fish to the weigh dock will be declared the winner.

Award Category (All other). Release date and time taken from the participant's GPS, which is required in the release video, will be used for breaking ties. Decisions are based on the following:

- Times are recorded to the full minute with no rounding up or down of seconds;
- If the GPS shows the time but not the date, the GPS time is used and the last day of tournament fishing is used as the release date; if the GPS shows the date but not the time, the GPS date is used and the time will be 11:59pm of the day in which it was caught. In the event of a tie with multiple fish caught and released, the first boat to achieve the total points is awarded. In the event of a tie with single fish, the first confirmed catch is awarded, confirmation from Tournament Headquarters will be given upon radio contact or arrival at the Tournament
- Weigh Scale. Properly completed Catch and Release Forms along with color video confirmation may be turned into the Tournament Scales on either day, but must be received before the close of the scales on the last day of the tournament. All Catch and Release forms must be properly filled out before presentation to the Tournament.

¹*Any vessel with a traditional fish finder with a "fixed" transducer and with no extending shaft and no ability to rotate the transducer in any direction will be deemed as a non-sonar vessel and are eligible to fish the "non-sonar" optional jackpot division. All boats entering this OCA division are subject to visual inspection by the PBGFC Tournament Committee to confirm eligibility for this OCA division.*

NOTE: No Catch and Release Cards will be allowed without species recorded, date and time of confirmation. Any billfish which will be released cannot be removed from the water. Removal from the water or “boating” a billfish will disqualify the angler from Catch & Release.

15.0 WINNERS/AWARDS:

Official winners will not be announced until the Awards Presentation of each respective tournament. Unofficial results will be continually updated on the Tournament Scoreboard and on the club’s website at <http://www.pbgfc.com>. In case a weather day is used, the time and location of the Awards Presentation will be announced at each respective Captain’s Meeting. In the event any PBGFC Tournament is postponed and rescheduled, the PBGFC reserves the right to adjust cash prize amounts based on the number of boats registered. Once the flare start at Pensacola Pass has occurred it constitutes a tournament.

16.0 PROTESTS

No protests will be accepted after the conclusion of the awards ceremony. Protest must be presented to the Tournament Chairman in writing by a registered angler and accompanied with a \$1,000.00 fee. If the protest is in favor of the angler the fee will be returned. If the protest is in favor of the tournament the fee will be retained. All such disputes shall be decided by the Rules Committee appointed by the Tournament Chairs and shall be final and binding upon all parties.

17.0 MISCELLANEOUS

Payment of the entry fee constitutes a representation by each entrant that they have read and fully understand the Tournament Rules and they will abide by such rules and the decisions of the Tournament Committee. If the Tournament should be cancelled due to any cause beyond the control of The Pensacola Big Game Fishing Club, entry fees will be refunded to entrants less a pro-rated share of Tournament expenses as solely determined by The Pensacola Big Game Fishing Club. Entrants shall have no claim against the Pensacola Big Game Fishing Club for return of said entry fees less pro-rated share of Tournament expenses. All anglers are responsible for knowing of any last-minute changes of any kind that are required to be made by the Rules Committee at the Captain’s Meeting.

18.0 NO WORRIES CLAUSE

If your team chooses to be removed from a tournament for any reason, the Pensacola Big Game Fishing Club will refund entry fees less a pro-rated share of Tournament expenses as solely determined by The Pensacola Big Game Fishing Club, as long as a boat member notifies the Tournament committee prior to and does not attend the Captains Meeting. Entrants who do not formally withdraw from the Tournament shall have no claim against the Pensacola Big Game Fishing Club for return of said entry fees less pro-rated share of Tournament expenses. **Even if the boat pulls out of the tournament, however, Cash Award entries are final and will not be refunded (unless there is no eligible fish in a category in which case the OCA Net will be refunded to all entrants in that particular category).**

19.0 WAIVER/DISCLAIMER

It is expressly understood that all participants in these Tournaments enter at their own risk, and that The Pensacola Big Game Fishing Club, its Officers and Directors, and all persons connected directly or indirectly with the operation of said Tournaments, shall be exempt from any liability for libel, slander, loss, damage, negligence, harm, injury or death suffered by any participant, entrant, sport fisherman, equipment which may occur during or in conjunction with the Tournaments. Registration in any of the tournament whether online, in person, or by mail provides expressed consent that The Pensacola Big Game Fishing Club may use without payment or

All entrants agree to submit to a polygraph examination at the request of the Tournament Committee. Failure to submit to such an examination will result in disqualification of the entrant at the sole discretion of the Tournament Committee.

55 YEARS OF FISHING THE TRADITION

A LEGACY BORN ON THE GULF

55 YEARS ON THESE WATERS

The Story

In 1970, a small group of local anglers gathered with a simple idea: host a billfish tournament that reflected the values of the Panhandle—sportsmanship, respect for the Gulf, and pride in the local fishing community.

From handwritten entry forms and dockside weigh-ins to today's modern fleet and conservation-focused practices, the tournament has grown alongside the region itself.

Over five and a half decades, these waters have seen unforgettable moments:

- Record-setting catches
- The transition to tag-and-release
- Families returning year after year under the same boat name.

Through calm seas and rough weather, boom years and lean years, one thing has remained constant:

this tournament belongs to the community

Milestones Through the Years

- **1970s** – Inaugural tournament held
- **1970s–80s** – Growing participation & regional recognition
- **1990s** – Expansion of fleet and sponsorship
- **2000s** – Conservation & release practices introduced
- **Today** – A 55-year nonprofit tradition rooted in stewardship

Did You Know?

- Some boats have fished this tournament for multiple decades
- Generations of families have competed under the same team name
- Data collected here has contributed to Gulf billfish conservation

In Memoriam
Earl Robinson

May 14, 1945 – January 10, 2026

Earl Robinson—a true Pensacola original—lived boldly, laughed loudly, and left a lasting wake wherever he went. Known as “Earl the Pearl,” his grit, humor, and larger-than-life spirit were matched only by the love he had for his family. A devoted husband, proud father, and beloved “Poppy,” his greatest joy was the time spent with those he loved most. Whether on the water, in the woods, or on the course, Earl was always exactly where he wanted to be—living life his way.
